President's Message:

Greetings to all of our dedicated Chamber Members.

I hope you are having a successful and prosperous year.

It is the goal of the Chamber to promote business within the community and beyond. How we approach and promote business is changing. We no longer compete with businesses just across the street, but from around the globe.

If we are to continue to grow, we must end the us versus them mentality. We are single community united to promote ourselves as one of the greatest places to be in Alberta. I would challenge you to be present in our community. Shop here, Play here, and invite others to experience this very special city that we call home.

Cesar Chavez said "We cannot seek achievement for ourselves and forget about progress and prosperity for our community.... Our ambitions must be broad enough to include the aspirations and needs of others for their sakes and for our own."

The solution is always present in the conversation. I look forward to many interesting conversations in the coming months.

I also wish a warm welcome to new members Judy McLean and BRAED.

President, Julie Girard
