

Canadian Chamber of Commerce Pandemic Preparedness for Business – Open for links

<http://www.chamber.ca/resources/pandemic-preparedness/>

To help businesses prepare for and manage through a potential COVID-19 escalation in Canada, the Canadian Chamber has developed a brief guide source from a number of best practice documents and designed to assist business planning and continuity efforts. This tool includes links to the some of the most relevant and credible information, best practice tools and resources and can be found here [Pandemic Preparedness Guide](#).
