CAMROSE, SATURDAY, DECEMBER 9, 2017

HOMICIDE FOR THE HOLIDAYS!

Hosted by the Camrose & District Chamber of Commerce

It was supposed to be a nice little family Christmas party - just Mom, Dad and the kids with a few dozen of their closest friends. It should have been warm and fuzzy, the perfect example of family values and traditions. But the only thing warm is the blood being spilled and the only thing fuzzy is everyone's alibis. But that's what happens when murder comes down the chimney and deceit, hate and corruption are the only presents under the tree.

Merry Christmas and Happy New Year from your Chamber family.

Shopping has become a part of our Christmas tradition.

Finding the perfect gift for someone special helps create moments that last the whole year through. This year when searching for those perfect gifts, let's remember to support our local businesses.

We are fortunate to have diverse and varied types of retailers. By shopping local, you increase the economic return in our community over and over again. Your purchases with a locally owned business helps our local business community thrive. The very act of shopping can be the gift that you give back to your community. See you in the stores and don't forget to have fun.

It is also the time of year to remember the less fortunate. A donation to the Camrose Food Bank, Silent Santa or Books Under the Tree will put a smile on many faces.

Books Under the Tree Campaign

Our GOAL is to collect one new storybook for every child whose family is receiving a Christmas hamper.

Help us make this program possible!

A donation of \$10 would cover the cost of most children's books. We will need approximately \$2000 to gift one book to every child.
