## President's Message

Happy New Year everyone! It has been an amazing year and your Chamber has been in the community working hard for you.

We hosted a successful Jaywalkers Jamboree with record breaking attendance. Cash Mob, a fun, new initiative was launched. We hosted an amazing Chamber Business Awards Gala honouring the hard work of our local businesses. We also had some fun at our Corporate Christmas Party. Our board and staff continue to work hard at upgrading our social media presence, and creating events that grow and remain relevant.

Most importantly, your Chamber remains committed to working with provincial and federal chamber organizations to ensure that your concerns are heard at all levels of government. We are your voice of business and sharing your concerns is our first priority.

Thank you to the hard work and many volunteer hours given by our board.

Most especially thank you to the amazing staff who keep us on track and ensure the smooth operation of all of our events.

Julie Girard -President
