Books Under the Tree Campaign

Our GOAL is to collect one new storybook for every child whose family is receiving a Christmas hamper.

Make this program possible!

A donation of \$10 would cover the cost of most children's books. We will need approximately \$2000 to gift one book to every child.

President's Message

We are fully engaged in the Autumn season. It seems that everyone is going full tilt preparing for the big events that are so critical to our community organizations. Please make sure to attend and have fun.

Chamber representatives are currently heading to Fredericton, NB to engage in the building of advocacy policy for our business communities, which will have an impact at the National Level. This is one of the most important things that the Chamber takes part in; Advocating the concerns of business to our federal, provincial and municipal governments. Your Chamber is your voice to government.

Please express your concerns. Locally, we are having a municipal election. Make sure that you attend the forums hosted by the Chamber. The better the public is informed, the better democracy works.

CAMROSE, SATURDAY, DECEMBER 9, 2017

HOMICIDE FOR THE HOLIDAYS!

Hosted by the Camrose & District Chamber of Commerce

It was supposed to be a nice little family Christmas party - just Mom, Dad and the kids with a few dozen of their closest friends. It should have been warm and fuzzy, the perfect example of family values and traditions. But the only thing warm is the blood being spilled and the only thing fuzzy is everyone's alibis. But that's what happens when murder comes down the chimney and deceit, hate and corruption are the only presents under the tree.
