President's Message

Spring is in the air!

This is a time for fresh starts and new beginnings; new relationships and endeavours to focus on our growth and not on what has held us down; to work together in a positive way to make Camrose an even better place to work and live; to move forward with compassion and respect and work with the positive energy Spring brings.

Please consider attending all or part of the Cannabis in the Workplace session we are offering. All of our businesses will be affected by legalization in one way or another. Therefore we feel it is very important to offer these sessions at a flat fee of only \$25. Everyone is welcome, RSVP today!

We are in need of volunteers to assist with Jaywalkers, our parade and operation of the train - all great opportunities to involve your staff in the community.

Julie Girard - President

Sponsorship Opportunities Available for:
