## President's Message

Spring is in the air!

I was honoured to attend the Growing Rural Tourism Conference last week.

As we head into spring and summer please consider that some of the greatest places to see and visit are right in our backyard.

Please remember to be community ambassadors everyday in all of your businesses as the tourism season approaches. Business and Tourism grow and prosper together.

As you prepare for your spring projects, ensure that you check out our local greenhouses and seasonal contractors. They appreciate the opportunity to serve you.

We at the Chamber of Commerce continue to be a committed partner with other community stakeholders to make Camrose the most inviting place to do business. To advocate for, and promote all businesses continues to be our top priority.

Julie Girard -President
